

Dwight Whitsett
Missions Instructor
Dean of Ministry Training for Oceania

20 December 2006

Dear brethren,

It is my pleasure to recommend Craig and Tomya Peters to you as worthy of your support. Craig and Tomya have committed themselves to seeing the gospel proclaimed in Australia. Craig has agreed to take a key position in Sunset's new initiative to train Australians in ministry by serving as our Administrative Dean in our partnership with Macquarie church of Christ in Sydney.

From the beginning I have been impressed with the Peters family. They have dedicated themselves to the cause of Christ wherever they have been. Craig and Tomya are not afraid to try new approaches to evangelism. They are open and innovative in their thinking, yet solidly tied to Scripture as their guide. Their love of Jesus Christ and their imitation of Him are apparent to all. Several of their children are involved in world evangelism.

As you will see, this is a unique couple. They are motivated by their love for Christ and determined to serve Him who rescued them and gave them abundant life. Not only are they Biblically knowledgeable and zealous for the Lord but they are also mature and hard-working. I confidently expect solid progress from any work in which they are involved.

The Peters need financial partners to make their mission possible. If you choose to partner with them you will be supporting the planting, growing and maturing of churches in Australia as well as equipping and training of leaders for the future. Please help as much as possible with this significant project. I ask you to give them a personal hearing and listen to their plans to bring precious souls into the kingdom in Australia. I know you will be impressed with their potential.

For the precious gospel of the loving Christ,
